

## **Jefferson County Public Library Rules for Internet Use in Children's Rooms**

Jefferson County Public Library is concerned about the welfare of children in our community. While parents are ultimately responsible for their children's Internet use, JCPL staff provides assistance by monitoring Internet use in the children's area in the following ways:

1. Filtering software is used on all computers in the children's rooms as per Colorado Law, 24-90-601
2. Chat, e-mail and other online communication are not permitted on library computers
3. Both library computers and personal laptops are monitored for visual images
4. No more than two people are allowed at a library computer
5. Time limits will be enforced on library computers
6. Library computers in the Children's room are reserved for children and adults working with children
