

Help Your Child Get Ready to Read!

Love Books

WHY?

Children who enjoy books and view reading as a fun activity are more likely to want to learn to read. This is called “print motivation.”

WHAT CAN I DO?

-  Make reading together fun.
-  Share books any time.
-  Choose books that you and your child enjoy.
-  Read with expression.
-  Let your child pick out his or her own books at the library.
-  Read with your child every day – even if only for a few minutes!
